How to get a SUNet ID

Important
Before you start, know your Stanford ID number. It is above your picture on your Stanford ID card and on your Express Scripts card if you’re enrolled in a Stanford medical plan that uses Express Scripts.

Can’t find your ID card? Call the Stanford ID Card Office at 498-CARD (2273) to find out how to get a replacement.

Step 1  Go to http://axess.stanford.edu
Step 2  At the bottom of the screen, click on SUNet ID website
Step 3  Click on Request a SUNet ID in the right hand list
Step 4  Enter your Stanford ID # then follow instructions
